During sectionals Mr. Flinchbaugh will ask you to play one of the listed etude above for a 10 point Practice Check. If your sectional does not occur that week, the Practice Check will be during full rehearsal.

Each Practice Check must be completed before the end of the week assigned. If it is not completed (excluding being absent for an extended period of time), you will get a 0/10 on the Practice Check. Excused absences may be made up after the due date.

If you miss your sectional for an unexcused absence your Practice Check may be made up for full credit, but this must be arranged by you. Mr. Flinchbaugh will not come ask you to make up your Practice Check.
